Dominik Lubasz, PhD, hab.

Managing Partner and Head of Corporate Law
Lubasz i Wspólnicy Legal Advisers

Dominik Lubasz specialises in new technology law, personal data protection and economic law, including European economic law. He has been singled out in the rankings run by Legal 500, Chambers and Partners Europe, Lexology, Client Choice and “Rzeczpospolita”, has spoken at numerous conference and runs workshops of his own devising. As a lecturer on post-graduate courses, he focuses on personal data protection and new technologies.

Dominik Lubasz co-created GDPR Risk Tracker, a legaltech tool that supports the processes ensuring compliance with the GDPR.
