Grzegorz Soczewka
VP Sales for Eastern Europe
OVHcloud

With more than twenty years experience in IT, cloud services and business development, Grzegorz Soczewka has a strong track record of leading sales organisations, driving international growth and building long-term relationships with enterprise customers and partners.

Before joining OVHcloud, he held senior leadership roles at Euvic Future Work, Konica Minolta BS and Euvic Services. His earlier career included working with global leaders such as Dell and IBM.
